

Correction to “Measurement and Correlation of the Solubility for 4,4’-Diaminodiphenylmethane in Different Solvents”

Yijie Deng, Li Xu,* Xiaobo Sun, Liang Cheng, and Guoji Liu*

J. Chem. Eng. Data **2015**, 60, 2028–2034. DOI: [10.1021/je501111d](https://doi.org/10.1021/je501111d)

In the [original paper](#) there are some inconsistent data between the submitted author corrections (Proof Review) and published paper. The change for the published paper is provided here.

(1) In [Table 1](#)

	solvent	T/K	Van't Hoff equation
			100RD
published paper	1-butanol	328.15	0.22
new text	1-butanol	328.15	0.23

(2) In [Table 2](#)

	solvent	B
published paper	1-butanol	3383.81
new text	1-butanol	−3383.81
