On page 2 of Supporting Information, in the Experimental Method, second sentence, it was written that “A set of Kirkpatrick Baez mirrors was used to focus the beam to $1\ \mu\text{m}^2$ ”. It should read “... focus the beam to approximately $1\ \mu\text{m}^2$ ”. The full corrected version reads: “A set of Kirkpatrick Baez mirrors was used to focus the beam to approximately $1\ \mu\text{m}^2$.”
