

Correction

Toward A Multiplexed Solid-Phase Nucleic Acid Hybridization Assay Using Quantum Dots as Donors in Fluorescence Resonance Energy Transfer

W. Russ Algar and Ulrich J. Krull*

(Anal. Chem. 2009, 81, 4113–4120)

On page 4115, the gTGT and g1BPM sequences from the Sandwich Assay section of Table 1 have typographical errors. The correct sequences are shown below, with the correction in bold type:

gTGT: 3'-TAA AAC AGA CTT TGG GAC ATT CCT
TTT ATT TCC T-5'

g1BPM: 3'-TAA AAC ACA CTT TGG GAC ATT CCT
TTT ATT TCC T-5'

This error was strictly typographical and does not affect the results or conclusions of the study in any way.
