

Correction to DNA Quantification via ICP-MS Using Lanthanide-Labeled Probes and Ligation-Mediated Amplification

Kathrin Brückner, Kathleen Schwarz, Sebastian Beck, and Michael W. Linscheid*

Anal. Chem. **2014**, 86 (1), pp 585–591. DOI: 10.1021/ac402668p

An incorrect unit was given for the elemental concentrations; ng g^{-1} should always read ng kg^{-1} (i.e., ppt). All the molar concentrations are correct. This is an error in the text only.
