

Correction for Spray Dried Aerosol Particles of Pyrazinoic Acid Salts for Tuberculosis Therapy

P. G. Durham, Y. Zhang, N. German, N. Mortensen, J. Dhillon, D. A. Mitchison, P. B. Fourie, and A. J. Hickey*

Mol. Pharmaceutics **2015**, *12*, 2574–2581. DOI: [10.1021/acs.molpharmaceut.5b00118](https://doi.org/10.1021/acs.molpharmaceut.5b00118)

The drug name “pyrazinoic acid” was inadvertently omitted from the title of the original manuscript, and we feel by adding this it will render the title more informative to the reader.

The title was changed from “Spray Dried Aerosol Particles of Salts for Tuberculosis Therapy” to “Spray Dried Aerosol Particles of Pyrazinoic Acid Salts for Tuberculosis Therapy”.
