After the original article had been published, the authors found an error in [eq 13](#). The correct equation is given below:

$$D_{IW(C18)} = \frac{(V_R^R - V_R^S) - (V_{BW}^R - V_{BW}^S) + D_G V_G}{V_{IW(C18)}^R - V_{IW(C18)}^S} \quad (13)$$

The $D_{IW(C18)}$ values shown in Table 4 in the original article were obtained according to the correct equation.
