

# NEW!

## FISHER PRESENTS

**"Dripless Sleeves" too!**  
Unique polyethylene sleeve protects hands, keeps handling surface dry, prevents label defacing.

B-3

Standard Packaging: Six 5-pt. bottles per ICC approved carton. Meets A.C.S. specifications.

### **"Dispos-It"\* no deposit** **ACID CASES & BOTTLES**

- No Deposit . . . No Paperwork . . . No Breakage Loss
- Compact . . . Lightweight . . . Easier to Handle
- Disposable When Empty . . . Stack Better When Full

**Now**—Fisher Reagents, as listed at the left, are available in six 5-pint disposable bottles per case. Gone are advance deposits, breakage losses, complicated paperwork for credits. Instead—Fisher Reagents, packaged in the new "Dispos-It," give a convenience, economy and safety factor never offered before. Added features include the "dripless sleeve" fitted on every bottle.

Next time, order reagents in the new Fisher "Dispos-It."
