

Correction to Molecular Umbrella–Amphotericin B Conjugates

Vaclav Janout, Celine Bienvenu, Wiley Schell, John R. Perfect, and Steven L. Regen*

Bioconjugate Chemistry 2014, 25 (8), 1408–1411. DOI: [10.1021/bc500277v](https://doi.org/10.1021/bc500277v)

All sterols that appear on the right side of each molecular umbrella framework shown in the Abstract, Text, and Table of Contents should have been drawn with the natural stereochemistry of cholic acid shown below and not that of its enantiomer:
