

Correction to Rapid Nondestructive Spectrometric Measurement of Temperature-Dependent Gas–Liquid Solubility Equilibria

Jian Ma, Purnendu K. Dasgupta,* and Bingcheng Yang

Anal. Chem. **2011**, 83 (3), 1157–1161. DOI: 10.1021/ac102947j

In the line above eq (6), χ should be equal to

$$b_g/b_l$$

not

$$b_l/b_g$$

In eqs 14–16, n should read Δn .

We thank Yinhuan Li, Xi'an Jiaotong University, for pointing out these errors.
