

Correction to “Emergence of Hysteresis and Transient Ferroelectric Response in Organo-Lead Halide Perovskite Solar Cells”

Hsin-Wei Chen, Nobuya Sakai, Masashi Ikegami, and Tsutomu Miyasaka*

J. Phys. Chem. Lett. **2015**, 6, 164–169, 10.1021/jz502429u

The Acknowledgment section should run as follows, in which the underlined part shows the addition correction made by adding a person to be acknowledged:

This research is supported in part by Japan Science and Technology Agency (JST) Advanced Low Carbon Technology R&D program (ALCA). The authors thank Dr. Ajay K. Jena for his important discussion on the origin of hysteresis. H.W.C. thanks Professor Dr. Kuo-Chuan Ho of National Taiwan University for his important discussion and E. Sakanoshita for her assistance in device fabrication and measurements.
